

Stage 1 Mad dogs and Englishmen

Scenario: Dogs are attacking your English friend. Eliminate the dogs and save your friend.

Course of Fire From P1 start engaging the dog targets with 3 rounds each finishing at P2. You can engage while moving or stationary. Last shots must be made from P2.

12 rounds minimum.

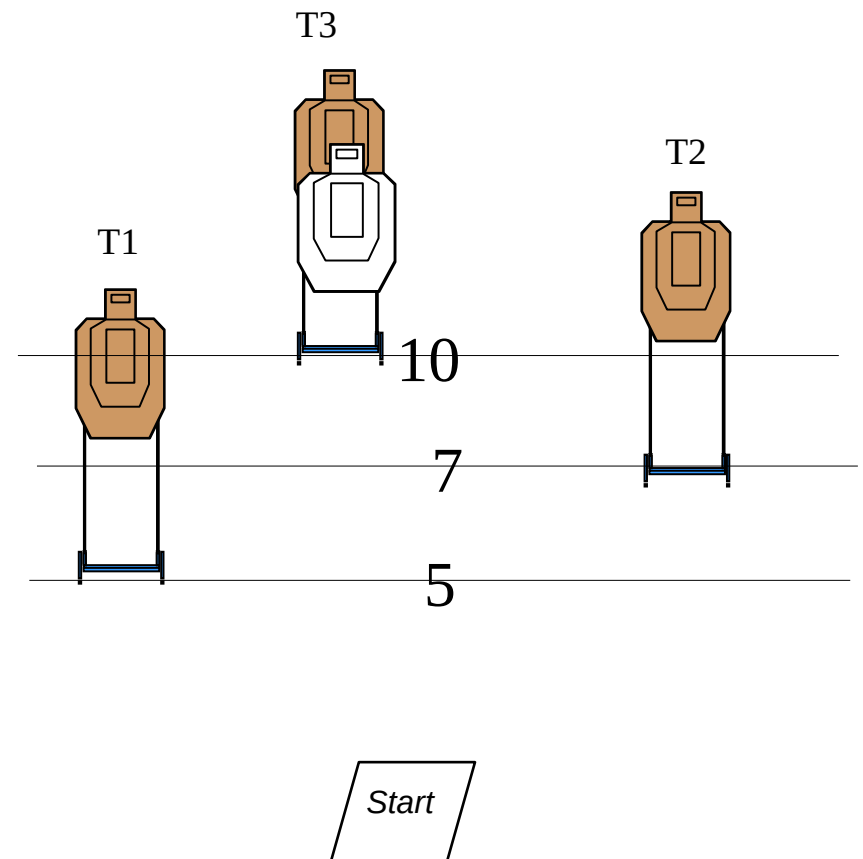

Stage 2 El Prez Headache

Scenario: Skill test

Course of Fire: Engage T1, T2 and T3 with 2 rounds to the body in order (procedural penalty if out of order 3 seconds) Reload and engage all targets with 2 rounds to the head any order. Make up shots allowed

*NOTE at least one head shot is required to avoid FTN penalty (5 seconds).

12 rounds minimum

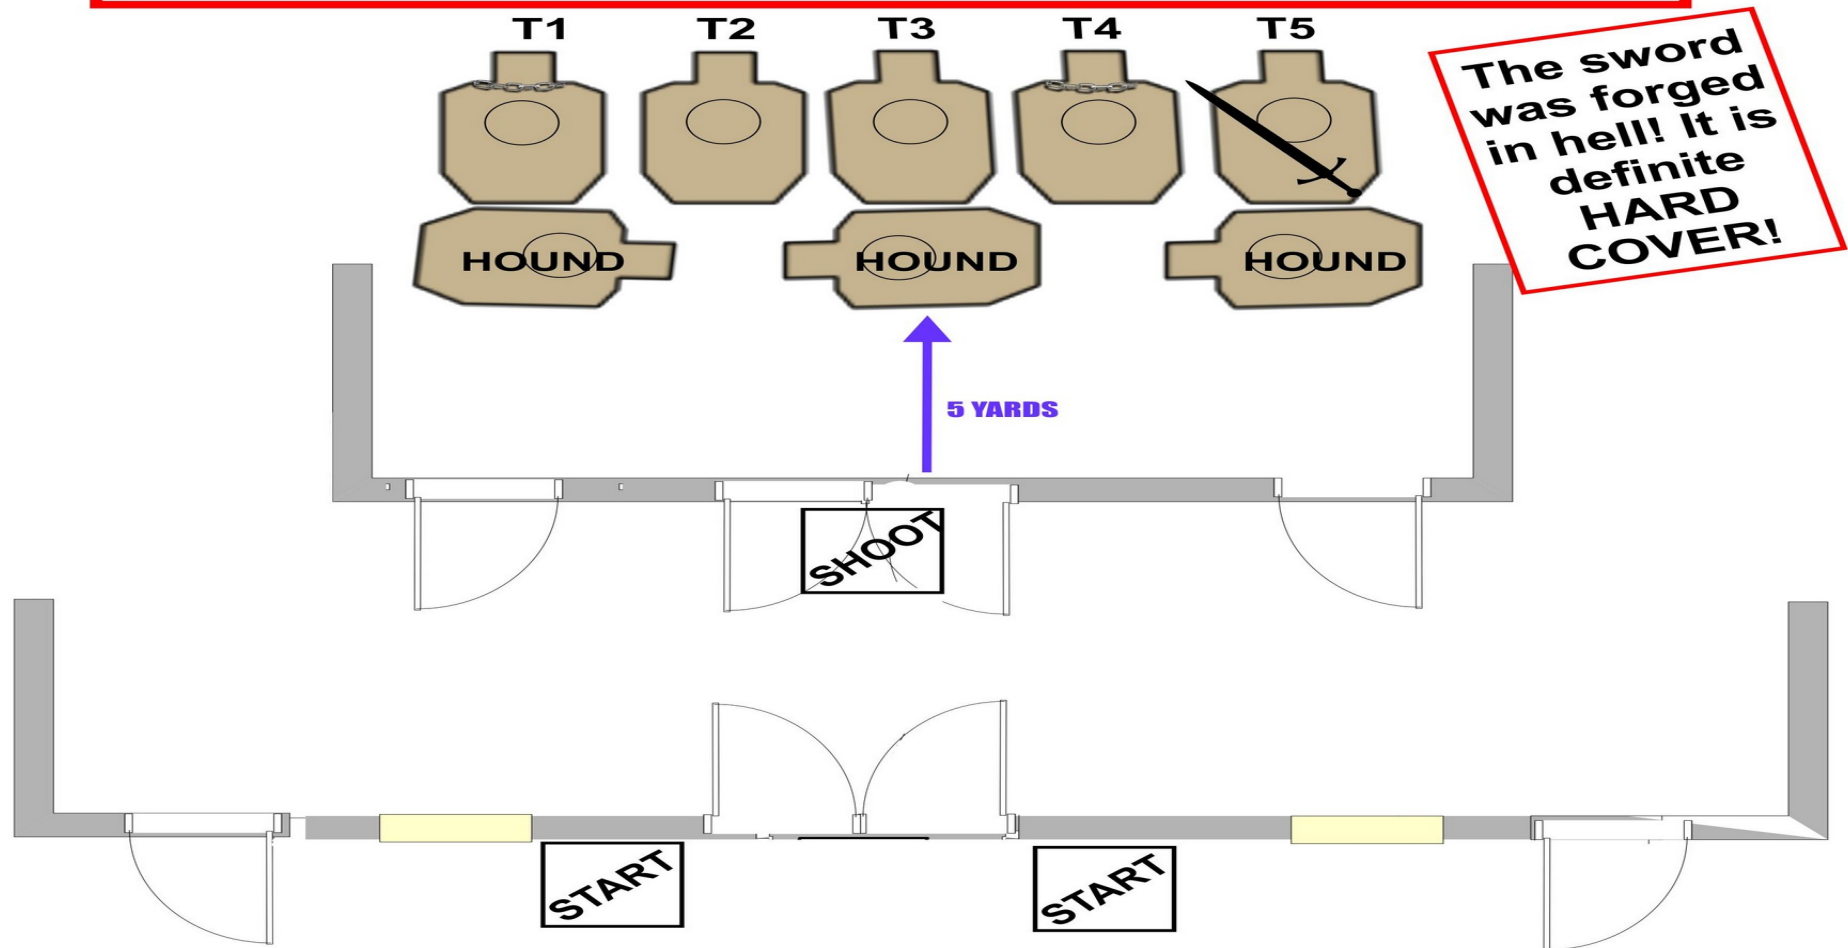

"BEHOLD! THE HOUNDS FROM HELL"

Scenario: The gates of Hell have opened up and three Dark Angels and their hounds have emerged with two chained captives...in your back yard! Send the Hellions back to hell and free their captives! **Start Position:** Standing in either START box, arms at sides, the wall. Before shooter loads and makes ready, the prior shooter will hang the chains in front of two of the five targets and the SWORD on one of the Hellions. **The chains indicate captive no-shoots! Stage Procedure:** On the audible start signal, draw while advancing to the SHOOT box and **engage the "armed" Hellion first with two rounds**, then all other Hellion and Hellhound targets, in any order, with a minimum of two rounds each. The shooter may engage while advancing, or wait until they are in the SHOOT box to commence firing. Since the Hellions do not have firearms, use of cover is not required

A NOTE ON CHAIN PLACEMENTS...

No-shoot captive chains must be hung so that there are NOT three Hellion targets in a row!

Stage 4 4X3 drill

Scenario: Skill Test

Course of Fire:

From Start box engage T1 with 4 rounds. Engage T2 with 2 rounds reload and reengage with 2 rounds. Engage T3 with 2 rounds strong hand and 2 rounds weak hand.

12 rounds only
