

Stage 1 Steel El Prez

Scenario: Personal Protection Skill Drill

Course of Fire: Start in box facing up range surrender position with a six round magazine loaded. Engage each target with two rounds each. Emergency reload. Re-engage targets with two rounds each. Make up shots permitted after reload.

12 rounds minimum.

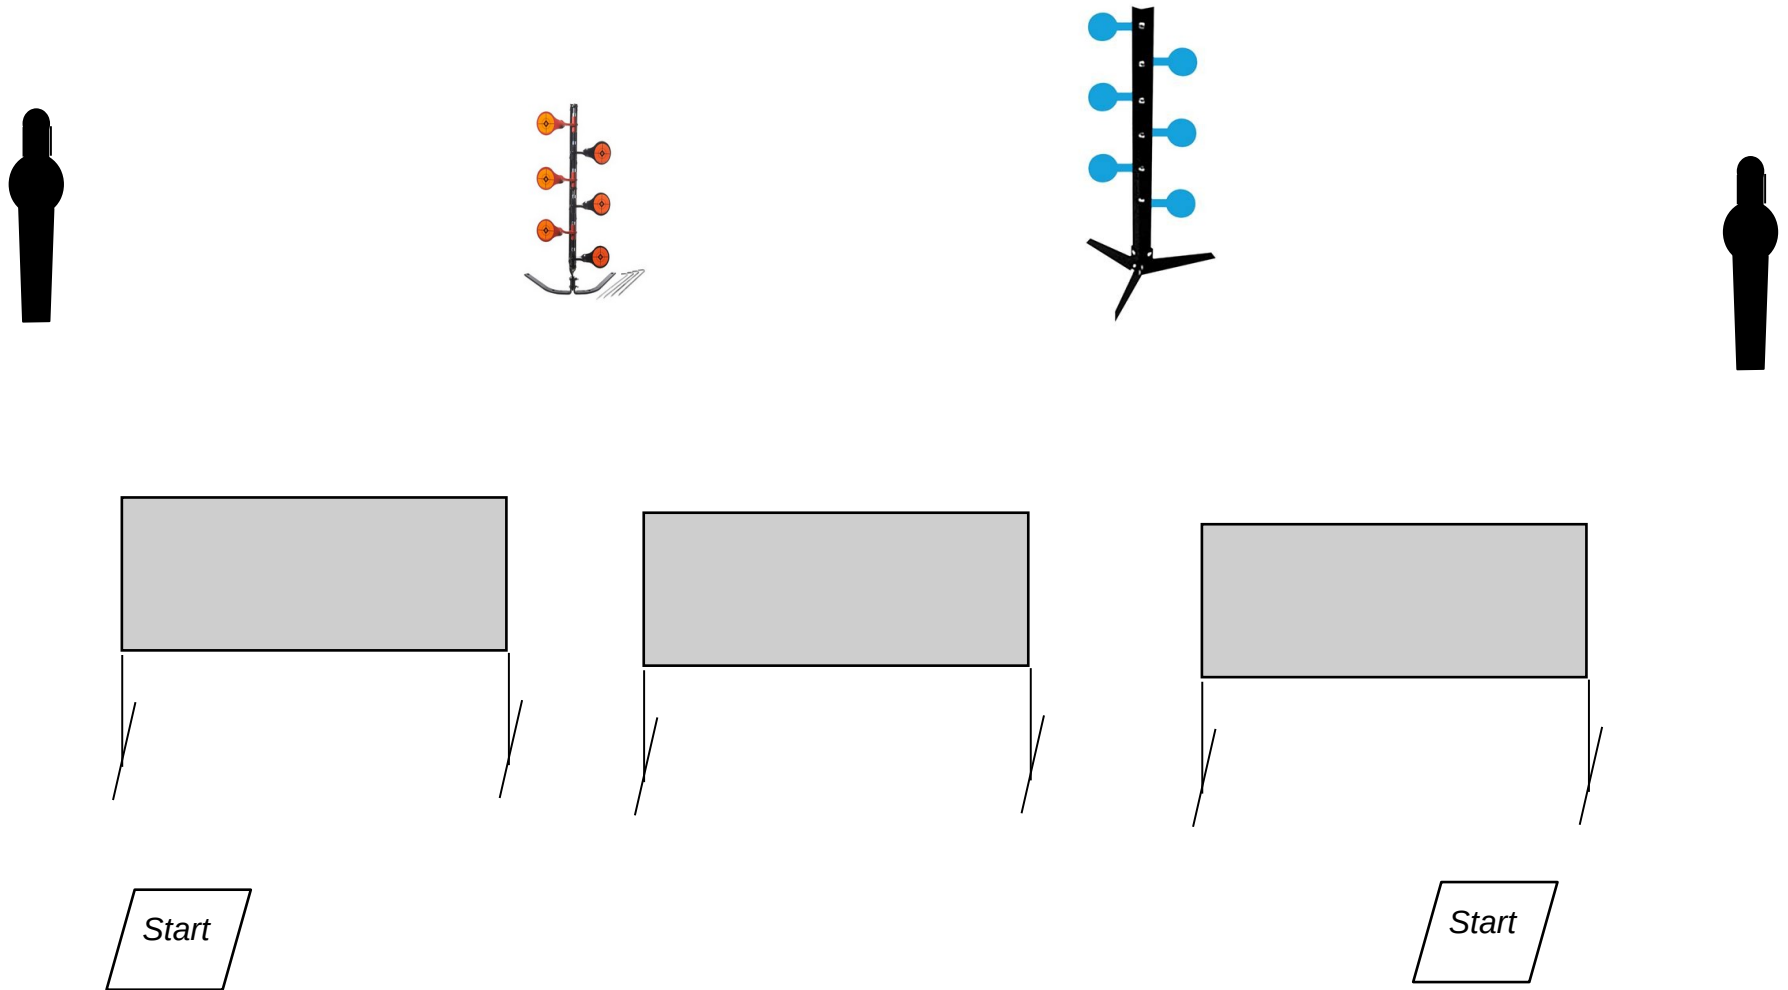

Stage 2 Let's move

Scenario: Multiple targets from different location skill drill

Course of Fire: Pick a start location left or right. Engage popper until it falls, move to area between barriers. Engage each dueling tree target until it moves. Move last location and engage popper until it falls.

12 rounds minimum

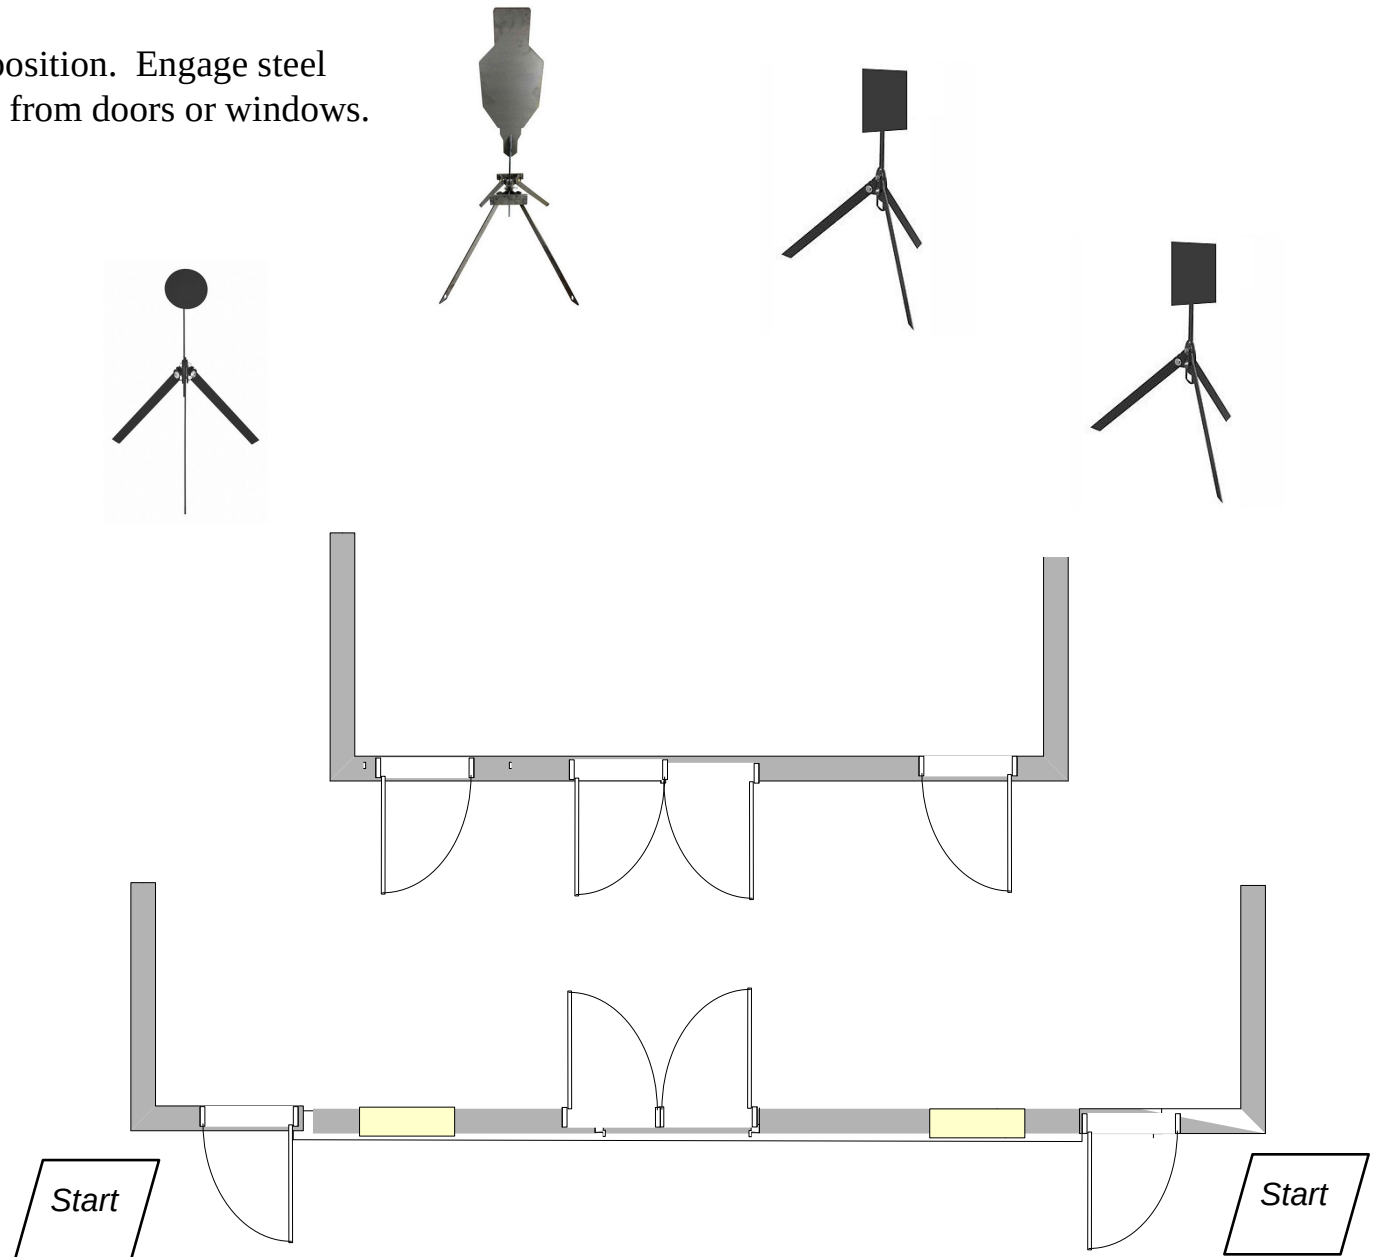

Stage 3 Steel in the shoot house

Scenario: Clear the house

Course of Fire: Pick a start position. Engage steel target with three rounds each from doors or windows.

12 rounds minimum

Stage 4 Steel Failure Drill

Scenario: Shot placement skill drill

Course of Fire: Start in box facing downrange relaxed position. Engage each target with two body shots and one head shot in any order. Can be shot as two body and one head or shoot all body shots and then all head shots.

12 shot minimum
