START-STOP: Audible - Last shot

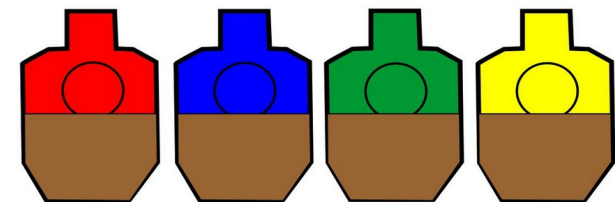

Stage 2

“ROLL THE DICE - IT’S A CRAPSHOOT!”

Scenario: You’re in Vegas enjoying a nice game of craps when the casino is hit by a two gangs! They are robbing and shooting patrons and you have to act fast!. **Start Position:** Standing in START box, facing the craps table, dice in hand. **Stage Procedure:** Roll the color-coded dice to determine your two gang colors. The RO will immediately announce the two colors and start the timer with an audible beep. Shooter will turn to the window and engage his two colored targets, then proceed to either P2 and repeat the procedure from either side of the barricade. All targets require three shots, and the colors NOT designated to the shooter are NO SHOTS *The bronze bottom halves of the second set of targets is hardcover! A shot completely inside hard cover is considered a miss.*

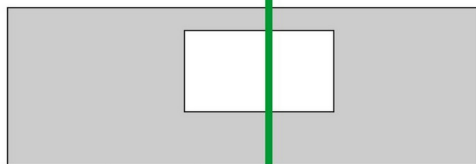

Unlimited
shots.
Best 12 hits
will be
scored.
