

Stage 1: Save the receipts

Scenario: While depositing the days receipts you are accosted by a gang of thugs. Eliminate the threats and head for cover.

Start facing up-range holding a briefcase. Turn, draw and using one hand engage T1, and T2 with three rounds while moving to cover. Put down the briefcase, and engage T3, T4 and T5 with three rounds.

15 Round minimum

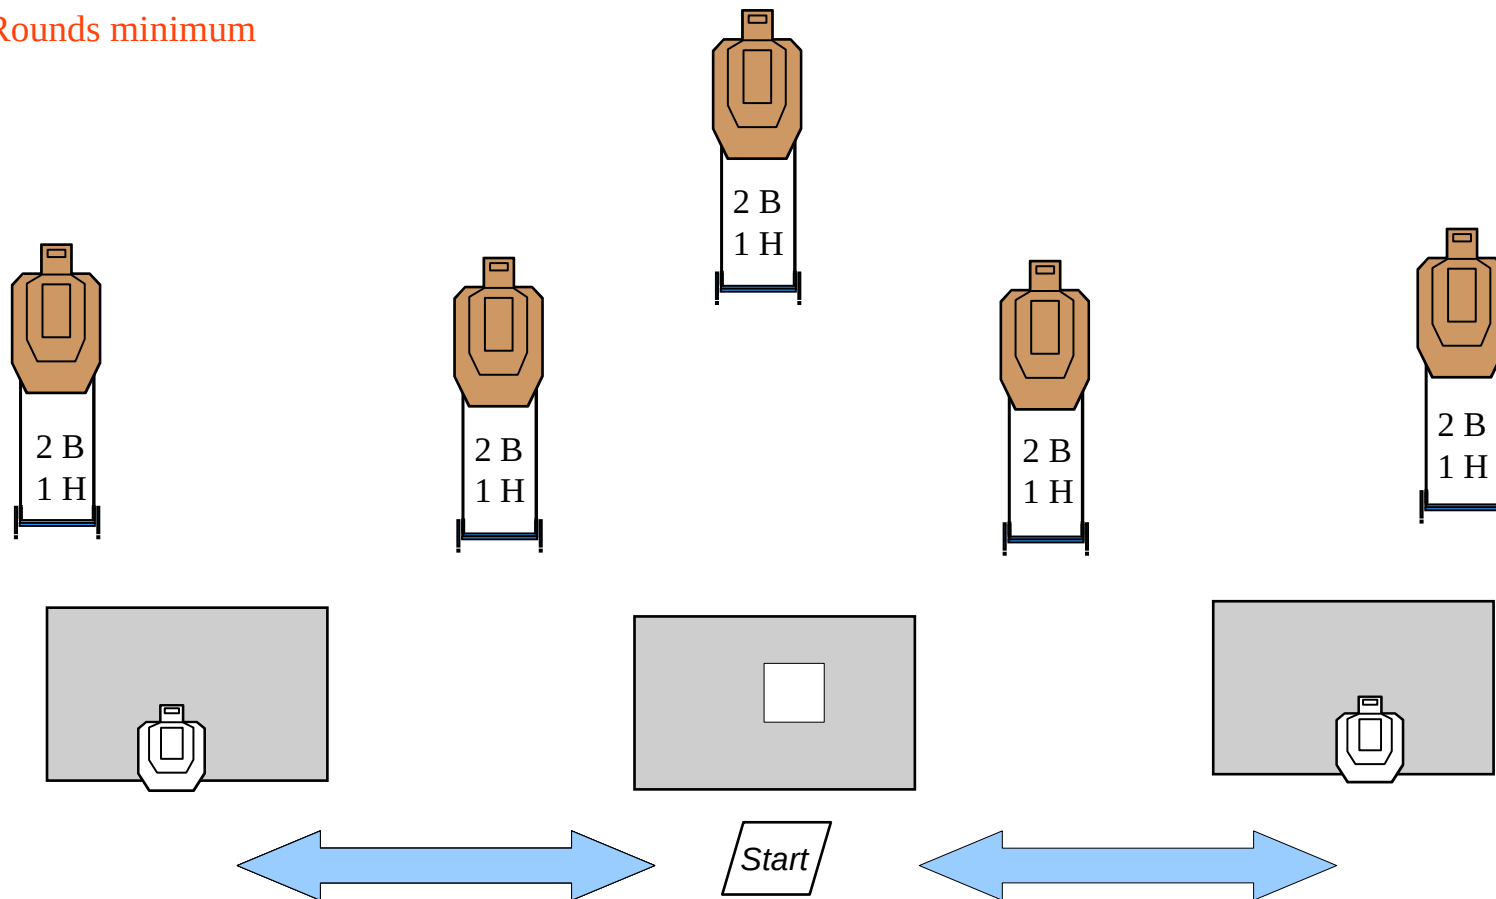

Stage 2 Safe Room

Scenario: You are relaxing in your bedroom, which is the family safe room, when you hear strange noises in the house. Your children are in their bedrooms on either side of the hall. You need to get your kids from their rooms and lead them to the safe room while keeping them safe from the threats. You determine the threats cannot be stopped by center of mass hits and need head shots to stop them. Stop the wolves, protect the flock

Course of Fire: From the start position engage threats using cover behind the barrier with two body shots and one head shot. Move non threat targets to start position. Engage final target through window. Best three hits will score, no head shot will result in a failure to neutralize penalty.
