

Stage 1 **Mortgage Crisis**

Scenario: While talking with your banker a group of armed thugs enter and take a hostage. As they approach, you take action.

Course of Fire: Start seated loaded gun on the table. At the signal engage T1 through T4 in tactical priority with two shots each. Move to P2 engage T5 and T6 with two rounds each using cover.

12 rounds minimum.

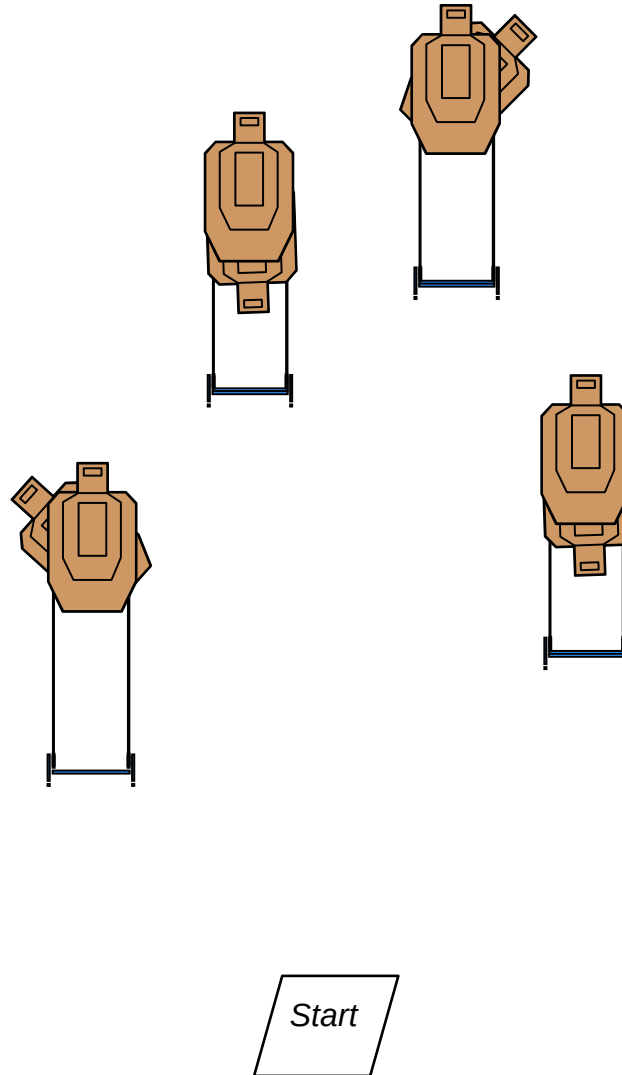

Stage 2 Accuracy Counts

Scenario: Marksmanship Skill Test

Course of Fire: From start position engage each threat with two rounds to the body. Then re-engage each threat with one round to each head.

12 Rounds minimum

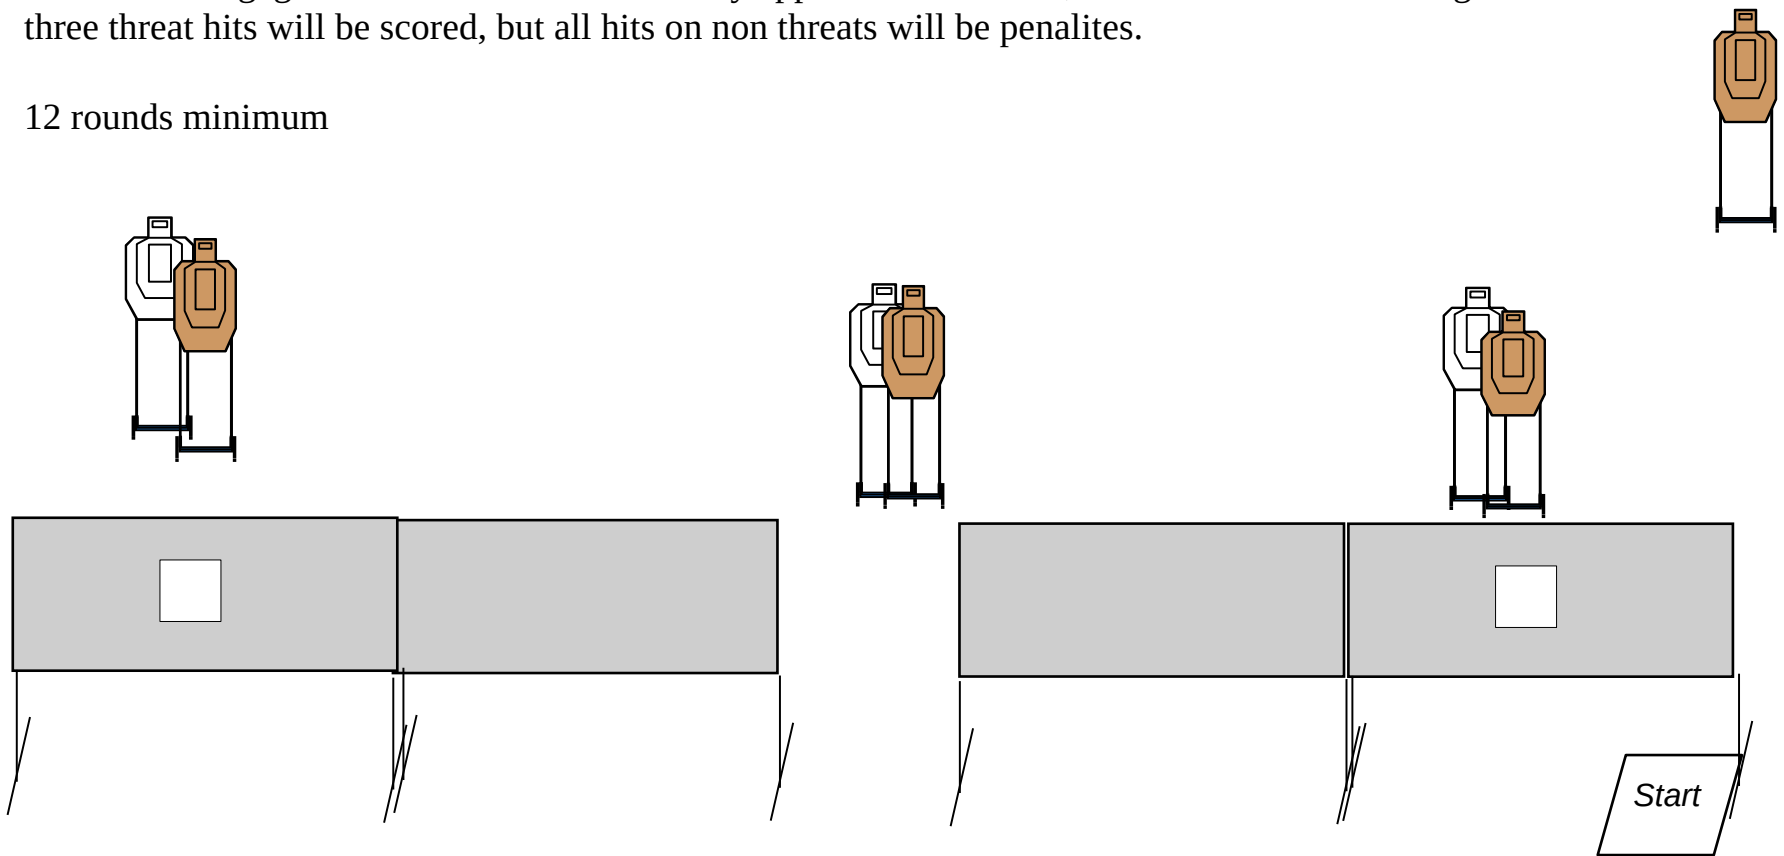

Stage 3: **Exit Stage Left**

Scenario: Ruffians are threatening innocents in a building. Move through the building eliminating the threats, but watch out for the good guys.

Course of Fire: From start position engage T1 with 3 rounds around the side of the wall using cover. Move to the left and engage threats with 3 rounds as they appear around cover, be careful of shoot through hits. Best three threat hits will be scored, but all hits on non threats will be penalties.

12 rounds minimum

Stage 4 **Biker Blast**

Scenario: You are walking out of a diner on a lonely stretch of highway when three motorcycles come roaring up and surround you. They start threatening you and you tell them you don't want trouble. Then you hear "kill um" and you see weapons in the Riders hand. The Pillions are drawing weapons from backpacks.

Course of Fire: Start with hand in surrender position with elbows above shoulders. At buzzer, draw and engage all T1 through T3 with 2 scored rounds each in TACTICAL SEQUENCE each gets one round before any get a second. Then engage T4 through T6 in any order.

12 Rounds minimum
