

Stage 1 Barrier Madness

Scenario: Bad guys are threatening your friends. You are hiding behind a barrier. Come around the barrier to engage the bad guys and save your friends.

Course of Fire: Start with your firearm loaded with 6 rounds, both hands on barrier. At the start signal move to one side of the barrier, using cover engage the target array with three shots to each target. Reload behind barrier. Move to other side of barrier and engage other target array with three shots each using cover.

12 rounds only

NOTE: Shoot through on hostage target will score as a hit on the threat target as well as a hit on a non threat penalty.

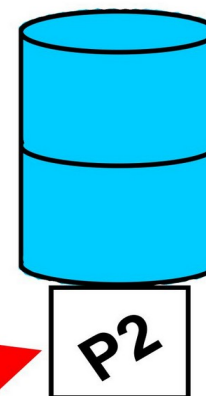

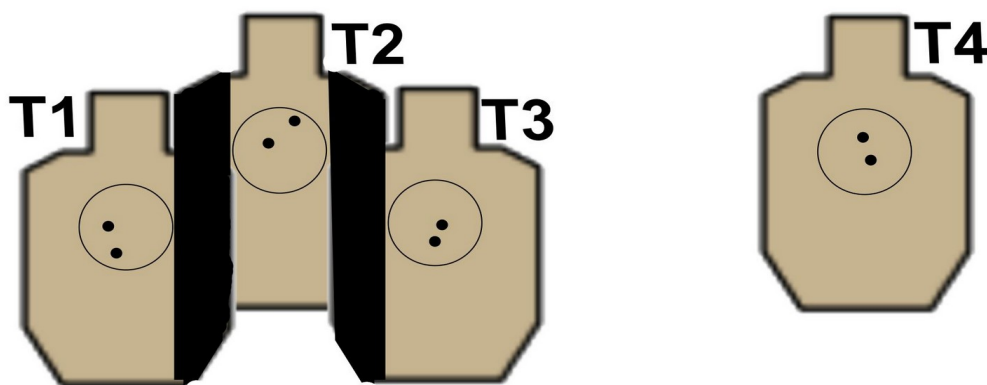

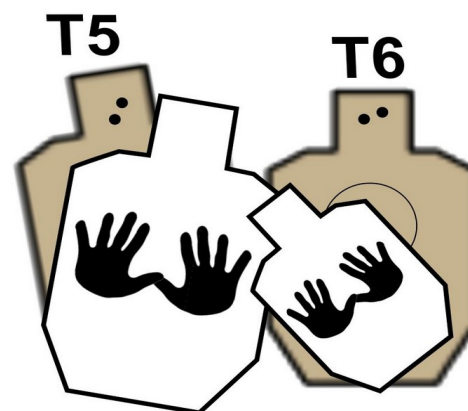

Stage 2

"HOSTAGES!"

Scenario: A gang of knife-wielding cretins has taken your spouse and child hostage - and now they're coming after YOU!

Start Position: Standing in START box, gun loaded and at low ready, spare mags on body.

Stage Procedure: On the audible start signal, move out of box and toward P2, engaging T1 through T4, in any order, with a minimum of 2 shots each **WHILE MOVING!** Failure to move while shooting will incur a procedural penalty (3 secs) for each stationary shot fired. From P2, engage T5, and T6 in any order with a minimum of 2 shots each. There is a requirement for **at least one headshot** on T5 and T6. Failure to hit at least one headshot on each will result in a failure to neutralize (5 secs).

At least one foot must be in P2 before T5 and T6 are engaged.

START

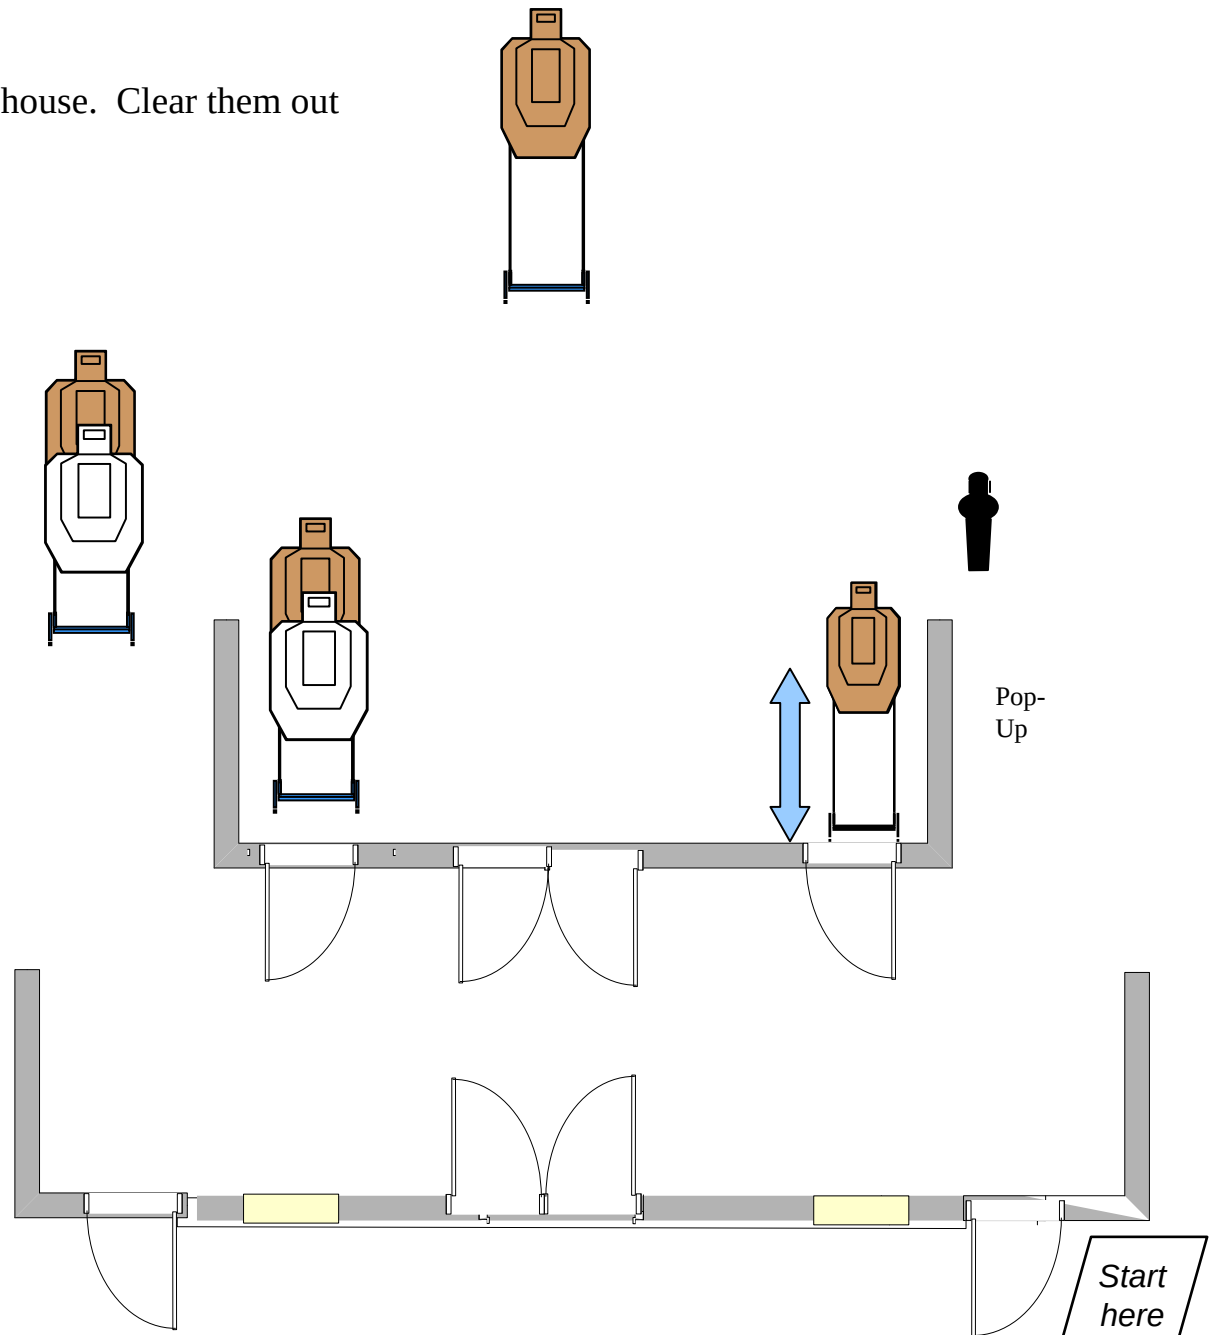

There are no limits on the number of rounds the shooter may fire.
The best two hits on each target will be scored.
Use of strict cover is not required as there are no incoming rounds.

Stage 3 House attack

Scenario: Gang members are in your house. Clear them out

Course of Fire: Start at right edge of the house. Move to door and engage popper to activate pop up target. Pop up gets two rounds. Move to your left and engage static targets with three rounds using cover as they appear.

12 rounds minimum.

Stage 4 Bank Loan Gone Bad

Scenario: You are in a bank waiting for approval for a loan. While waiting bank robbers enter and take the loan officer hostage. Your gun is concealed in your briefcase. Remove your gun and engage the threats to save the loan officer and get a better interest rate.

Course of Fire: Start seated loaded gun in briefcase.

At signal engage each threat with three round in any order. You may remain seated or stand. Reload as needed.

12 rounds minimum.
