Stage 1: El Prez in a crowd

Scenario: You are in a crowd with friends when bad guys approach. Engage the bad guys and protect your friends.

Course of Fire: Start with a six round magazine facing down range one arms distance from the two no shoot targets. Move to engage the three threat targets with two rounds each. Move behind the no shoots to reload, Move again to reengage the threat targets with two rounds each.
*NOTE movement can be in either direction both times as required
12 Rounds only

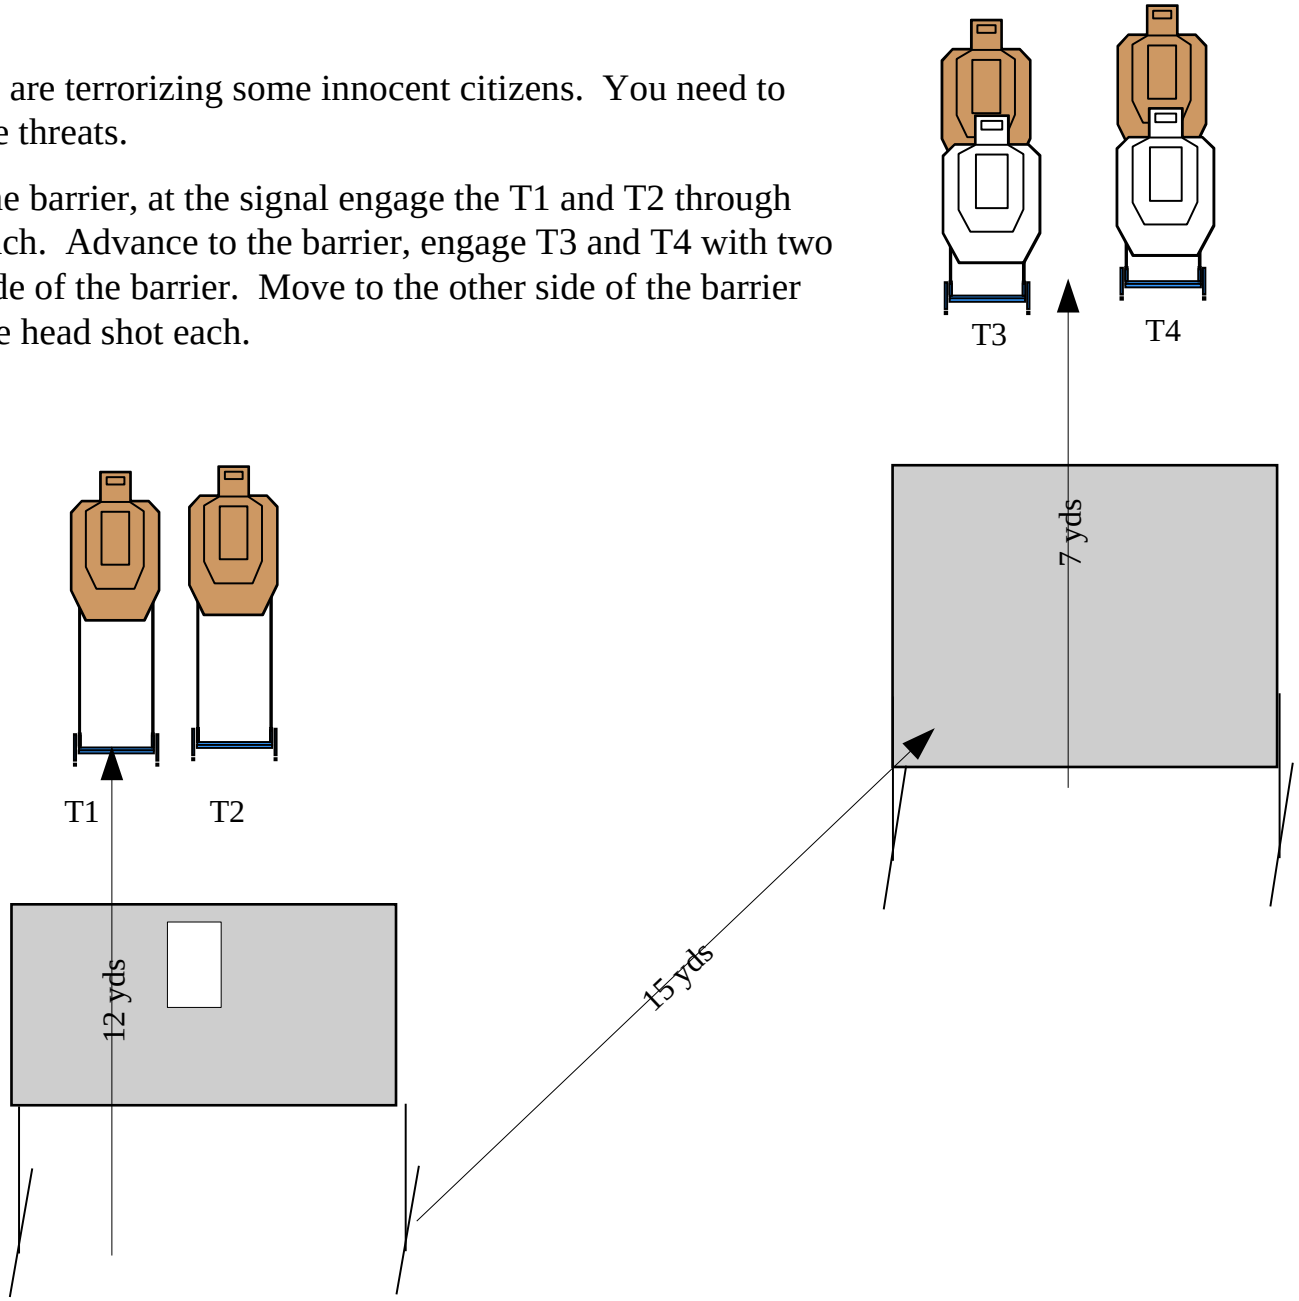

Stage 2 Advance to help

Scenario: A gang of miscreants are terrorizing some innocent citizens. You need to advance to them to eliminate the threats.

Course of Fire: Start behind the barrier, at the signal engage the T1 and T2 through the window with three shots each. Advance to the barrier, engage T3 and T4 with two round center mass from one side of the barrier. Move to the other side of the barrier and engage T3 and T4 with one head shot each.

12 Rounds minimum

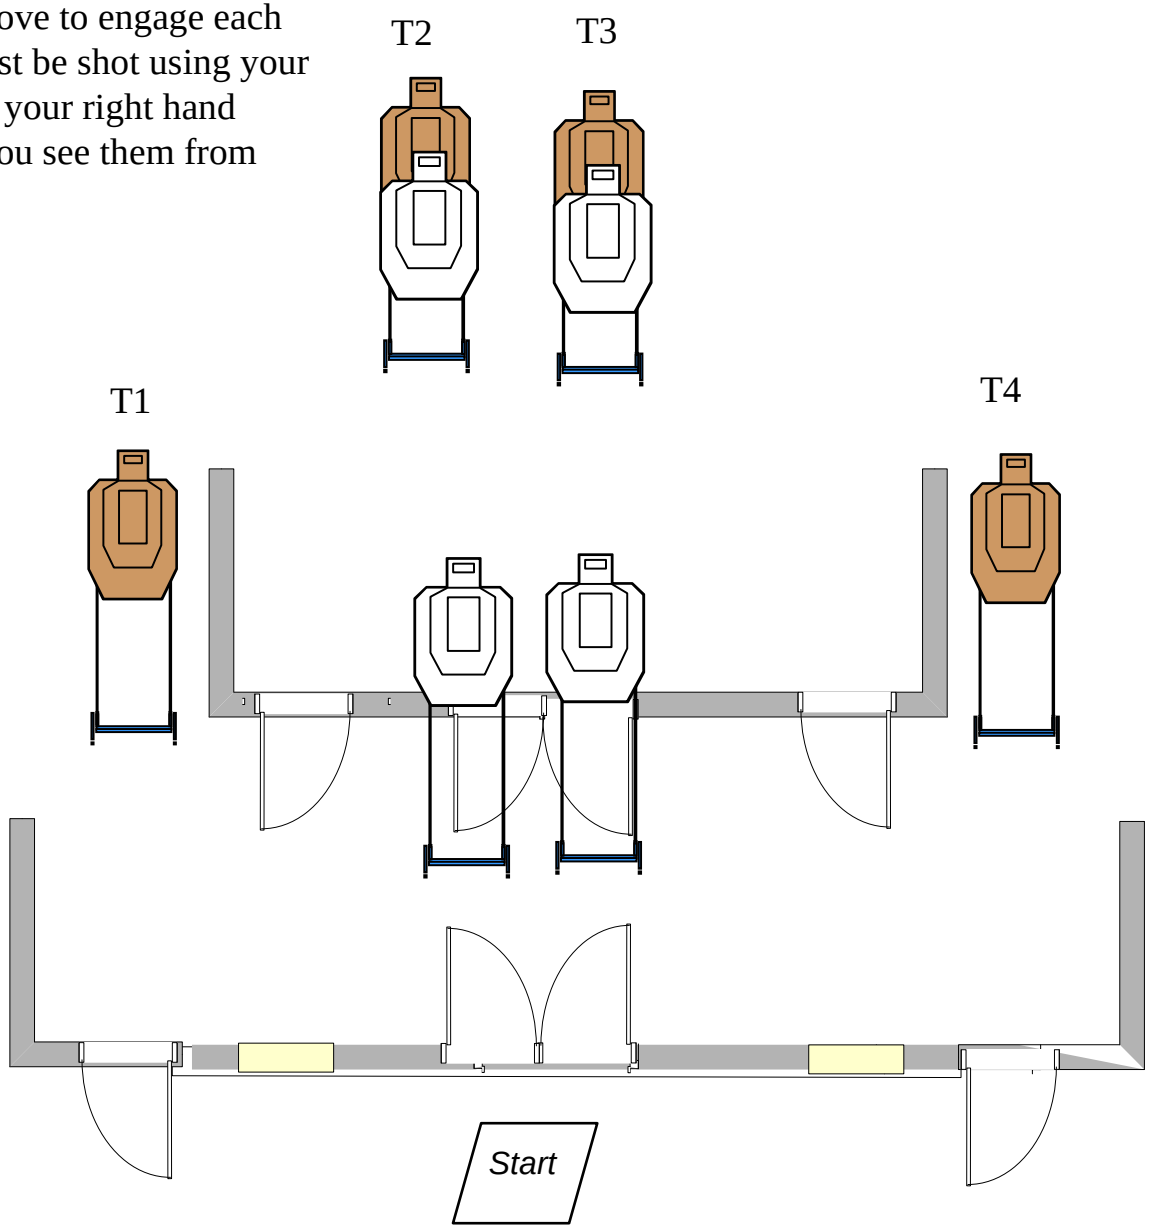

Stage 3: Crowded house

Scenario: Your house contains good guys and bad guys. Eliminate the bad guys and save the good guys.

Course of Fire: From the start box move to engage each threat with three rounds each. T1 must be shot using your left hand only, T4 must be shot using your right hand only. T2 and T3 can be engaged as you see them from outside or inside the shoot house.

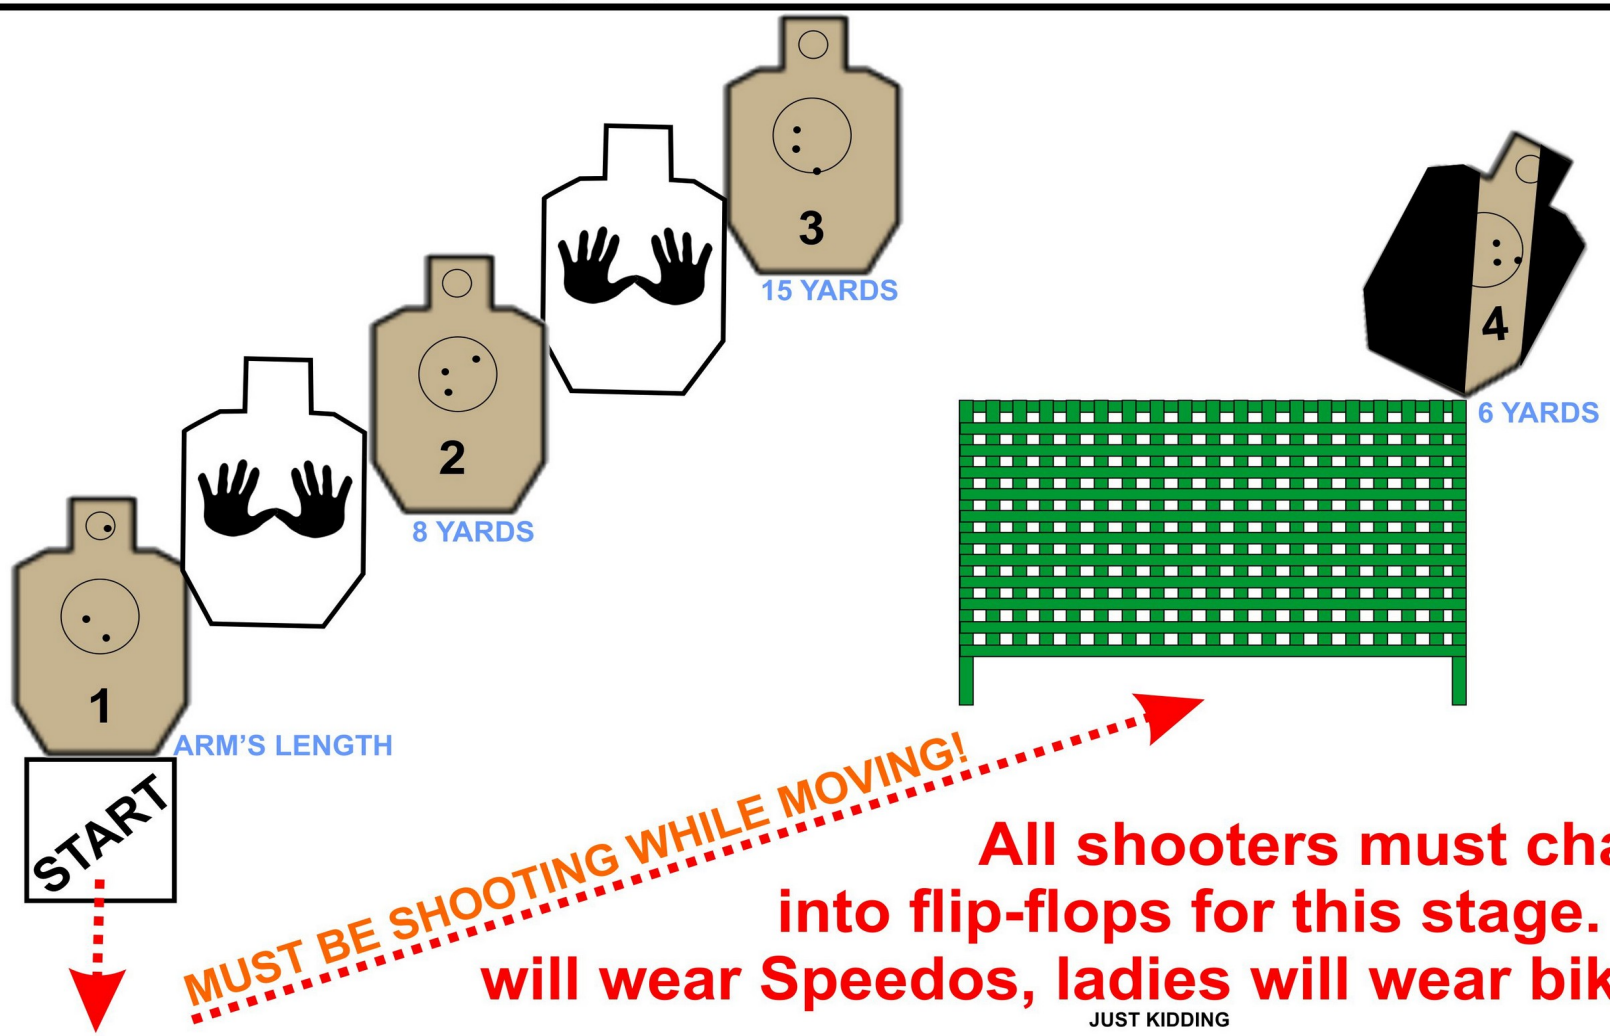

12 rounds minimum

Stage 4

RUNNIN' AND GUNNIN' AT THE BEACH

SCENARIO: You've just packed up and are leaving after a lovely day at the beach in Mexico when cartel thugs storm the beach and demand your belongings at knifepoint. Stop them and protect your family! ***START:*** Gun and mags are loaded to match capacity. Gun is in hand, held close to the outside of the bag. Spare mags and are in the beach bag slung over your shoulder. ***PROCEDURE:*** At the signal, *move back and out of the box.* Then engage T1 with at least two shots to the body and one to the face *once both feet are out of the box.* Proceed to the cover of the barricade WHILE ENGAGING T2 and/or T3. ***You MUST be shooting while moving and moving while shooting.*** Once behind the barricade, you may continue engaging T2 and T3 if necessary, then engage T4. The best three shots will be scored on each target. Only T1 requires a head shot.

All shooters must change into flip-flops for this stage. Men will wear Speedos, ladies will wear bikinis.
